Region 2

Newsletter June 7, 2021

1. Old Compulsories and **move up meets**: The old compulsories can be used until July 31 for move up meets. After that date, the new compulsories must be used. Once the new season of memberships opens (in a week or so), once joined, the membership is active and those athletes CAN be in move up meets etc. even though it is not August 1.

2. **Region 2 color has changed to turquoise for the next 3 years.** 😊

3. **Regional Congress** is not sponsored by USAG this year. It will be sanctioned so everyone can get hours if you need them. On Friday will be athletes Level 5, 4, 3 with Tom Koll and helpers going over the routines. The focus will be beam and floor. Cost per athlete will be \$60. (Athletes will need to have joined USAG for the 2021 – 2022 year since it is after August 1.) This will be limited in number at each level so register early on USAG. Please make sure levels are correct when registering your athletes.

Saturday will be coaches and judges with Tom Koll going over routines. Questions and answers, judging demonstrations, will be part of the clinic. Sunday will open time to go over routines and there will be judging films and special lectures. Cost will be \$100 per person. Check out the attached flier! If you bring more than 5, it is \$75 each.

4. Regional Committee Meeting is June 9 at 8:00 am. If you have any comments, please direct it to your state chairman. Agenda includes:
